This conference will now be recorded.

00:06 - 00:06

Brigitte Kealy

Ok.

00:07 - 00:27

Katie Dilley

Ok, so, Good morning, My name is Katie Daily with Metro Behavioral Health, and we are holding our pre bid conference for the Request for proposals for our residential rehab program, Workforce Development contractor proposal that was issued on February 17th.

00:28 - 00:32

Katie Dilley

And we'll be closing on March the seventh by 4 0 PM.

00:33 - 00:44

Katie Dilley

The purpose of this call is to offer the space for any questions, comments, concerns, areas for clarity, regarding the RFP.

00:45 - 00:55

Katie Dilley

We usually share this posting publicly in the event that there are individuals that would liked to have participated on this call today and weren't able to.

00:55 - 01:06

Katie Dilley

So, this space is really for interested members that may want to get some clarification or support and the development of the proposal.

01:06 - 01:19

Katie Dilley

And just another point for clarification, we this is the only time we will entertain questions between now and the end of the RFP hosting.

01:19 - 01:28

Katie Dilley

So if you reach him by way of e-mail or phone call or conversation, unfortunately, we will not be able to support any questions outside of this meeting time.

01:30 - 01:32

Katie Dilley

With that, we will just open it up.

01:35 - 01:35

Michael Hoge

Questions?

01:36 - 01:42

Katie Dilley

Sure, and I don't know, Bridget, or at least if you would like to introduce yourselves for the recording, that would be nice.

01:43 - 01:45

Brigitte Kealy

Hi, my name is Bridget Kelly.

01:45 - 01:47

Brigitte Kealy

I'm a Behavioral Health co-ordinator Manager here at ...

01:49 - 01:53

Lisa Short

And I'm Lisa Short, the Behavioral Health co-ordinator, the adult Population Supervisor.

01:58 - 01:59

Michael Hoge

Ready for questions?

02:00 - 02:01

Katie Dilley

Yep, we're ready.

02:04 - 02:06

Katie Dilley

Maria will let her introduce herself in a moment.

02:07 - 02:08

Katie Dilley

But go ahead, Michael.

02:10 - 02:21

Michael Hoge

I had a question about Provision six, which says The eligibility is for any licensed, were incorporated agency or organization, public or private.

02:21 - 02:32

Michael Hoge

And I wondered as a licensed behavioral health professional, but not an incorporated agency or organization, whether I would be eligible to apply?

02:38 - 02:39

Katie Dilley

I believe so.

02:40 - 02:41

Katie Dilley

Millimeter.

02:46 - 02:47

Michael Hoge

So, so that's a yes.

02:47 - 02:47

Michael Hoge

Yes.

02:51 - 03:01

Michael Hoge

The other question that I had was related to provision 10 about your standardized.

03:01 - 03:02

Katie Dilley

Offering.

03:02 - 03:04

Michael Hoge

To provide services.

03:05 - 03:08

Michael Hoge

I would imagine that that's an agreement that you use typically.

03:08 - 03:09

Katie Dilley

Around the.

03:09 - 03:13

Michael Hoge

Provision of, of clinical or treatment services.

03:13 - 03:23

Michael Hoge

And I was wondering, um, a, whether that's a standardized agreement that might be available to review in advance of the submitting a bid.

03:23 - 03:38

Michael Hoge

And the second was whether, um, you ever consider, have the ability to make modifications to the standard agreement, to fit the situation of a particular situation, such as this that's related to consultation and training.

03:39 - 03:39

Michael Hoge

Hmm.

03:55 - 03:58

Katie Dilley

I'm just reviewing Item 10 to make sure.

04:02 - 04:05

Katie Dilley

Let me say the question one more time, just for clarification.

04:07 - 04:08

Michael Hoge

Sure.

04:09 - 04:11

Michael Hoge

I wonder it's really two part.

04:11 - 04:16

Michael Hoge

One is whether that standard agreement is available prior to submitting a bid.

04:16 - 04:23

Michael Hoge

And the second is, I'm imagining that it's tailored principally around the provision of services or treatment.

04:23 - 04:37

Michael Hoge

And I wondered whether you have the ability to modify the agreement or entertain, you know, modifications when it's something more unique like this, which is around a consultation or a, you know, and training.

04:37 - 04:38

Katie Dilley

Right.

04:38 - 04:43

Katie Dilley

So I would say that this agreement will will look differently than.

04:43 - 04:43

Michael Hoge

Some of our.

04:44 - 04:49

Katie Dilley

Standing contracts, just because it will be tailored around the project itself.

04:50 - 05:02

Katie Dilley

Um, and I think the award recipient, one of the things we would do is, before finalizing agreement an agreement, we would be meeting with that party, too.

05:03 - 05:05

Katie Dilley

Review: what's going to be included in the agreement.

05:05 - 05:12

Katie Dilley

So, not to say that we're not at liberty to share a copy of a standing contract or a blank contract, but I don't believe that.

05:12 - 05:26

Katie Dilley

It would, I don't know if it would really be as informative as just the understanding that, with this project, that we will probably be tailoring something a little bit more

specific to the deliverables of the.

05:29 - 05:32

Katie Dilley

The project focus, if that makes sense.

05:32 - 05:33

Michael Hoge

Does it make sense?

05:33 - 05:37

Michael Hoge

And, I don't need to request or see anything then in there, and that's it.

05:39 - 05:40

Michael Hoge

Those were really my only questions.

05:41 - 05:47

Brigitte Kealy

And I wanted to add to with our contract, we also have lets us a scope of work, which are the deliverables.

05:47 - 05:54

Brigitte Kealy

And I think that would be more specific that we would work with the provider to have the specific deliverables listed out.

05:56 - 06:04

Katie Dilley

And most of most of that scope that bridget's referencing is actually included in the RFP.

06:05 - 06:09

Katie Dilley

So just kind of overarching scope possibilities.

06:10 - 06:20

Katie Dilley

But if there was something specific that we needed to work with the contracted party around, we are more than willing to to make sure that we can make it work.

06:21 - 06:21

Michael Hoge

Great.

06:21 - 06:22

Michael Hoge

All right, Thank you very much.

06:22 - 06:23

Michael Hoge

I don't have any other questions.

06:25 - 06:25

Katie Dilley

Ok.

06:28 - 06:32

Katie Dilley

Maria, did you want to introduce yourself, and then you joined us a little bit after.

06:33 - 06:33

Maria Daniels

Good morning.

06:33 - 06:34

Maria Daniels

I'm Maria Danielle's.

06:34 - 06:36

Maria Daniels

I'm the program director.

06:36 - 06:37

Maria Daniels

Nice to meet you, Michael.

06:37 - 06:38

Michael Hoge

So, nice to meet you, Maria.

06:46 - 06:47

Katie Dilley

These two lists or anything?

06:47 - 06:48

Katie Dilley

You want to add her?

06:50 - 06:57

Lisa Short

Now, I think because he's there's already a familiarity what this project looks like and it's mapped out in the RFP out.

06:57 - 06:59

Lisa Short

Only have anything else.

07:09 - 07:10

Michael Hoge

All right, Well.

07:10 - 07:11

Katie Dilley

Thank you very.

07:11 - 07:11

Michael Hoge

Much.

07:12 - 07:13

Katie Dilley

Thank you.

07:13 - 07:14

Brigitte Kealy

For joining us.

07:15 - 07:16

Michael Hoge

Take care, everybody.

07:18 - 07:18

Brigitte Kealy

Right.
